Show full Headers

Dear Ar. Indrajeet Jadhav,

You are aware that there are around 350 Architecture Schools in India. We had initiated dialogue with COA for having interaction with various institutions to connect academicians and professionals. COA inspects various colleges periodically therefore it is decided to send a team of academicians and professionals to inspect the schools of architecture. COA-IIA decided to collaborate for this activity.

The inspectors are to be trained to understand the contents, procedure & methodology to analyze the status of the institution. A special training programme for senior active IIA Members / Professionals is organized on **29th March 2014** at Bhanuben Nanavati College of Architecture, Karvenagar, Pune.

The participation is by invitation only. The detail programme has been mailed by Ar. Jayshree Deshpande, Director, NIASA-COA. The trained experts will be sent to inspect the schools from other states.

I hereby request you to avail this opportunity to join your hands with academics.

With regards,

Ar. Prakash Deshmukh

President

The Indian Institute of Architects
