... time, we are struggling
for job opportunities for Civil
Engineering students due to
pandemic situation

 Sandesh Gaikwad, PMP® · 6:34 PM
As I've joined recently in GPL,
I don't have much insight
regarding placement. But I can
definitely share the contact
details of our recruitment
officers. You can get in touch
with them.

Since pandemic the job
opportunities are reduced but
surely they will come up in an
years time

Currently we are in process to
complete running projects on
priority as all are delayed

Okay Okay, thanks That's great
