

## Faculty Profile

<b>Name of Faculty : Yogesh Anandrao Donolikar</b>	
<b>Designation : Assistant Professor</b>	
<b>Qualification : M Tech</b>	
<b>Specialization : Chemical Engineering</b>	
<b>Official Email ID: asmy2118@gmail.com</b>	
<b>Courses Taught</b>	<ul style="list-style-type: none"><li>• Process Calculations</li><li>• Process Instrumentation &amp; Instrumental Methods of Analysis</li><li>• Petrochemical Technology</li><li>• Chemical Process Design</li></ul>
<b>Roles and Responsibilities</b>	<ul style="list-style-type: none"><li>• Virtual Lab</li><li>• Students Chapter</li><li>• Central Computing Facility Member</li><li>• NBA Criterion 2</li><li>• Project Incharge</li></ul>
<b>Research Contribution</b>	<ul style="list-style-type: none"><li>• “Effect of atmospheric and operational variables on dispersion of bauxite particulates at Mormugaon Port, Goa, India” in Materials Today: Proceedings (2022)</li><li>• “Investigation on atmospheric dispersion of limestone particulates at the sea port” in Materials Today: Proceedings (2022)</li></ul>
