

Name of Faculty: Nilesh Ramesh Kumbhar	
Designation: Assistant Professor	
Qualification: ME	
Specialization: Automobile Engineering	
Official Email ID: nrk.dypcet@gmail.com	
Memberships	ISTE
Courses Taught	<p>I C Engines Operation Research & Project Management Human Recourse Management Operation Research Industrial Management & Operation Research Energy and Power Plant Engineering Graphics Basic Mechanical Engineering Kinematics Mechanism and Machines Renewable Energy Engineering</p>
Roles and Responsibilities	<p>Department Exam Coordinator Department Time Table Coordinator Member Result Analysis Member Robotics Club</p>
Research Contribution	<ul style="list-style-type: none"> • Design And Development Of Tractor Trolley Hook Bending Machine” International Journal of Engineering and Computing Science, (ISSN 2250-1371), Vol 7, March 2017 • “An Overview Of Disarray In Nonlinear Active Suspension System Under Random Road Excitation With Time Delay”, IJMER (ISSN:2249-6645) Vol.-II Issue-1 pp332- 335 Feb 2012 • “An Industrial Energy Audit: Basic Approach”, IJMER,(ISSN:2249-6645), Vol.-II, Issue-1 pp313-315 • “Castor Oil as Green Lubricant : A Review”, IJERT, (ISSN:2278-0181), Vol.-II Issue 5 • “Energy audit of an industry”, National Conference on Recent Trends in Instrumentation (NCRTI-12) PVPIT, Budhgaon, 2012 • “Energy Conservation : Save Today Survive Tomorrow”, NCSDE 2012, COEP, Pune
FDP/Workshop Attended	<ul style="list-style-type: none"> • One day faculty training program on “IC engines Assembly Hands on Practice” at Dr. JJMCOE on 23rd Dec 2016 • One day workshop on “Research Methodology under LEAD College” at Dr. JJMCOE on 20th Oct. 2016 • One day program on Cold Room Technology, organized by ISHRAE Kolhapur Sangli Sub Chapter on 29th Nov. 2014

	<ul style="list-style-type: none">• “Empowering Technical Education to Address Sustainability & Global Competitiveness” at ISTE National Annual Convention organized by TKIET, Warnanagar, on 19th – 21st Dec. 2013• “Computational Fluid Dynamics” organized by RIT, Sakharale on 28th -30th Jan 2011• “Engineering Education Towards Global Repute” organized by Dr. J. J. Magdum College of Engineering, Jaysingpur on 7th Oct. 2011• “Improving Teaching Pedagogy” organized by Dr. J. J. Magdum College of Engineering, Jaysingpur on 16th - 18th, Sept. 2010• “Software training in CATIA” organized by Dr. J. J. Magdum College of Engineering, Jaysingpur on 31st July to 3rd April 2010.
