

A Seminar on Environmental Studies by Dr. Girish Kulkarni

5th March 2015

Arrival of guest in the department and discussion with the HOD

A seminar on Environmental Studies by Dr. Girish Kulkarni was arranged on 5th March 2015 for the students of S.Y.B.Arch. Dr. Girish Kulkarni is p.hd. holder in civil engineering and presently working as Director In Department Of Technology, Shivaji University Kolhapur. He has worked on lots of civil engineering projects and also contributed in sustainable development of the Shivaji University campus.

As per the university syllabus now it is mandatory for all the second year students to study the environmental subject. So to guide the students in the same subject and to explain the current need of the topic, the seminar was arranged.

Dr. Girish Kulkarni delivering the seminar

Seminar was arranged for the students of S.Y.B.Arch.

Dr. Girish Kulkarni focused mainly on the environmental aspects which are harming the surroundings and are responsible for the green house effect. Pollution, types of pollution, causes of pollution etc. points were mainly stressed.

Vote of thanks by Prof. Seema Patil

Seminar was attended by all the faculty members of the department
