

GATE Cell Inauguration

7th january 2015

Gate cell for the GATE exam to be held in January 2015 was inaugurated in the Architecture Department on 7th january 2015 by the hands of Principle Dr. V.R.Ghorpade Sir. From Pune to Bangalore region no college of architecture conducts GATE classes, so it is inconvenience for the students in this region to join the GATE classes somewhere else. HOD Prof. R.G.Savant recognized the need of the students and decided to conduct GATE class in the college itself and Principle Dr. V.R.Ghorpade Sir also supported his idea.

Arrival of Principal Dr. V.R.Ghorpade Sir in the department and discussion with faculty members

GATE is the all India examination that is used to screen the admissions to the various PG courses in engineering and architecture across the country. The Graduate Aptitude Test in Engineering (GATE) primarily tests the comprehensive understanding of the various subjects in Engineering and Technology of the applicants. Candidates can apply to the M.Tech/ M.E/ M.Des (at some IITs) courses on the basis of their **GATE 2015** scores. For the first time, GATE 2015 Scores will be valid for three years.

Deep Prajvalan by Principal Dr. V.R.Ghorpade Sir, HOD Prof. R.G.Savant Sir, Prof. S.M.Phadtare Sir

Felicitation of Principal Dr. V.R.Ghorpade Sir by Prof. S.M.Phadtare Sir

Welcome speech by Prof. S.M.Phadtare Sir

Prof. S.M.Phadtare Sir gave the brief introduction about the cell. The cell will be open from 7.30 in the morning till 2.00 in afternoon. All the faculty members will be giving the expert lectures to the students in this duration. Study material will also be provided to the students.
