DEPARTMENTAL ACTIVITIES

Seminar on Introduction to IoT

One of the newest technologies in the branch of Computer Science is IoT (Internet of Things). Keeping this in mind, the department arranged a seminar on 'Introduction to IoT'. The seminar was held on 23th January 2020 for the students of Third Year. Mrs. Minal Budgujar who is Soft Skills Trainer as well as Etiquette Coach was the spokesperson who made this seminar interesting and informative. The seminar was greatly appreciated by students. The number of attendees was 90 students.

Industry Visit to Relish Infosoft

An Industry visit to a company named 'Relish Infosoft' was done. It was arranged for the third-year students of division C. The industry visit was made a huge success only due to the efforts of Prof M A Pardesi & Prof Mrs M V Mane. On the date of 1st February 2020, the industry visit was successfully done by a total of 50 students.

Expert Lecture on Current Environmental Issues

A very required lecture that would light on the current environmental issues was held. An expert lecture on 'Current Environmental Issues' was held on 28th February 2020 for the students of second-year. Mr. Chetan Kakatnur, the speaker of this seminar, highlighted various environmental issues faced by people all around and measures we can take on individual level to mitigate the effects.

Seminar on Cyber Security

To focus on one of the emerging technologies, a seminar on 'Cyber Security' was held. This seminar was held on 6th March 2020 for the students of second-year. The students were hugely benefitted as they were fortunate to have Red Hat /Microsoft Certified Trainer Mr.Yash Pandit and Mr.Ranjeet Vandkar as the spokesperson of the seminar. The seminar had attendance of 52 students.
