DEPARTMENTAL ACTIVITIES

Online Parents meet

As every year's tradition, this year's Parents Meet was held on 16th April 2020, as it was covid time so it was arranged in online mode. The main motive of this meeting was to interact with students along with their parents to give them brief overview of this semesters academic schedule. The meeting was arranged for SY –BE students. The total count for this meet was 195. It was fruitful because many students and their parent's doubts were cleared in this meet

Capgemini Company Specific Training

To prepare students for their company placements, company specific training by Capgemini was held from 1st August to 28th August 2020. This training was conducted by department staff. This training was specifically for BE students. Around 117 students got benefited by this training.

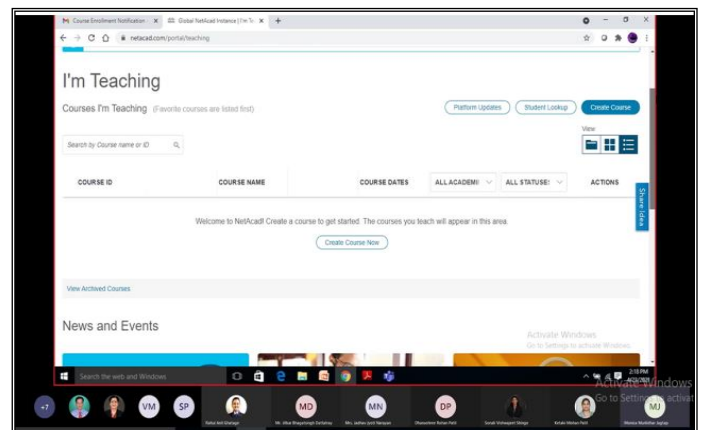

Online Workshop on 'Android App Development'

Keeping the trendy technologies in mind, our department arranged a workshop on 'Android app Development' from 25th June to 29th June 2020. The workshop was conducted by Robosol System Pvt Ltd. Around 32 students from BE completed this workshop.

TCS Specific Training by ETHNUS

To make students ready for their placements company specific training for TCS was held from 28th September to 29th September 2020. The training was conducted by ETHNUS. The beneficiaries were students from BE. Around 46 students completed this training.
