IMPORTANT INSTRUCTIONS TO STUDENTS

1. The Examination Programme is subjected to change. The students are informed to verify the examination schedule of their subjects and communicate about any overlap. If there is any change in the programme of the examination, it will be communicated in time and will be intimated.
2. The nature of online examination will be multiple choice questions (MCQs) of duration 60 minutes and **no negative marking**.
3. The examination will be conducted **online mode only** and the students will be communicated with a **LINK** before its commencement.
4. Students are requested to click on the link within 5 minutes and start the examination.
5. Students can attempt any question randomly. The answers will be auto saved and there is only one attempt for the examination.
6. Students should submit the examination at least one minute before the end of time schedule. Once you press **submit button**, your responses will be recorded permanently and no one will be allowed to reopen the exam link once again. Hence it is advised to click the submit button only after making sure that all answers are clicked and are correct as per your knowledge.
7. Internet connectivity & uninterrupted power supply is the responsibility of the students.
8. If any of the student is found exercising malpractices, his/her examination will be cancelled.
9. Students are allowed to use non programmable calculators for numerical calculations.
