END SEMESTER EXAMINATION APRIL/MAY 2020-21

IMPORTANT GUIDELINES/INSTRUCTIONS TO THE STUDENTS

1. The examination programme is subjected to change. The students are informed to verify the examination schedule of their subjects and communicate to exam cell about any problem. If there is any change in the programme of examination, it will be communicated well in advanced.
2. The Examination will be conducted in **ONLINE MODE**, through GEMS /JUNO ERP or Email.
3. The ESE conduct will be in hybrid mode consisting of **Subjective 50% and Objective 50% and of 100/50 marks, as per the course.**
4. There will be **no negative marking.**
5. The time period for ESE will be 2.30Hrs., for 100 marks subject and 1.30 Hrs., for 50 marks subject.
6. For drawing subjects (50 marks) the time period will be of 2.00hrs.
7. Students are allowed to use non programmable calculators for calculation.
8. For, 100 marks subject, there will be 26 questions out of which, first 25 questions will be objective type and last one question will consists of image of subjective question paper.
9. For, 50 marks subject, the number of objective questions varies (10-13) as per the weightage of the subject and last question will consists of image of subjective question paper.
10. For attempting subjective questions, students are informed to use ruled pages of A4 / Legal size only for all subjects(except drawing) as their answer sheets.
11. For drawing subjects, students are informed to use half imperial sheets only for solving the subjective questions.
12. Students should mention his/her Exam seat number, Unique ID number, Full name and signature on the top of the first page of answer sheet clearly and also should write his/her exam seat number, page number and sign on each page of answer sheet.
13. Students are informed to see the questions from question paper image and write down the answers on separate answer sheet, by hand. (Subjective questions should be written on separate sheet only and not in the JUNO software.)
14. Students are informed to use *Doc Scanner android application* to take the snaps of answer sheet. (Link to download the android application: <https://play.google.com/store/apps/details?id=com.cv.docscanner>)
15. After completion of attempting the subjective questions, students should take the snaps of each page of answer sheet clearly, and upload the image file or PDF file in the space provided in last question.

(AN AUTONOMOUS INSTITUTE)

Approved By AICTE, New Delhi, Recognised by Govt. of Maharashtra & Affiliated to Shivaji University, Kolhapur.

16. The answers of objective type questions will get auto saved. But, for last question, ie., subjective, you have to upload your answer sheet (PDF / Image) in the space provided below the question compulsorily. Extra 15 min., other than exam time, will be provided for uploading the PDF / Image file of your answer sheet. If you do delay in uploading the answers sheet of subjective questions, within given extra 15 min. time, then your subjective marks will not be considered.
17. If you face any trouble while uploading and submitting the subjective paper, in extra 15min. period, immediately contact to your department exam coordinator.
18. After solving all questions and if you want to end your exam, then click on submit button. Once you click on submit button, your all records will be saved. After that student will not be able to edit or reopen the exam. So, you are instructed to click the submit button only after making sure that you have uploaded your subjective answer sheet.
19. During solving the objective questions, make sure that your internet connectivity is good. As you attempt the questions one after the another, you need to click on *Save & Next* button. Your answers will be saved as you move to the next question. While solving the subjective questions, if you have any trouble in internet connectivity, do not worry. But before uploading and submitting the subjective paper, make sure that your internet connectivity is good.
20. If any student have internet connectivity problem at their residence place, such students can come in college premises and attend the exam online using college internet connectivity. Such students should inform the exam cell a day before the examination. You have to follow all the Covid- 19 pandemic rules and regulations strictly.
21. Students are strictly informed to preserve their answer sheets and drawing sheets of each subject with them. After commencement of the college you are informed to submit the preserved answer sheets and drawing sheets of each subject to Examination Cell, through Department Exam coordinator.
22. Internet connectivity and uninterrupted power supply is the responsibility of the student.
23. If any of the students is found exercising malpractice, his/her exam will be cancelled.

F. Y. M. Tech-(Computer Science & Engineering) Semester – I
End Semester Examination (ESE) April / May 2020-2021
Time Table

Sr. No.	Date	Day	Time		Uploading PDF files of Answer Sheet		Course Code	Course Name
			From	To	From	To		
1	18-5-2021	Tuesday	10.00 am	12.30 am	12.30 pm	12.45 pm	202CSL601	Mathematical Foundations of Computer Science
2	20-5-2021	Thursday	10.00 am	12.30 am	12.30 pm	12.45 pm	202CSL602	Advanced Data Structures
3	22-5-2021	Saturday	10.00 am	12.30 am	12.30 pm	12.45 pm		Program Elective I:
							202CSL603	Machine Learning
							202CSL604	Data Preparation and Analysis
							202CSL605	Block Chain Technology
4	24-5-2021	Monday	10.00 am	12.30 am	12.30 pm	12.45 pm		Program Elective II:
							202CSL608	Distributed System and Cloud Computing
							202CSL609	Data Storage Technologies and Networks
							202CSL610	Smart Technology and Internet of Things
5	25-5-2021	Tuesday	10.00 am	11.00 am	-- --	--	202CSMYYY	Audit Course (MCQ only)

**** Note:** The examination programme is subjected to change. The students are informed to verify the examination schedule of their subjects and communicate to exam cell about any problem. If there is any change in the programme of examination, it will be communicated in time.
